

ATTENTION

Holly Village does not provide bulk pick up, this is the responsibility of the residents. Please see Earth Tech's itemized price list, also located on our website, and schedule your bulk pick up accordingly.

Excluding bulk trash and only if scheduled to be picked up, no one should have any trash and/or recycling containers out until at least the afternoon of the day prior to our regularly scheduled pick up day. If any containers are out, other than the specified time noted above, no warning will be given and a fine in the amount of \$75 will be assessed to the resident's account as "additional rent".

Thank you
